

Long Term Planning Reception 2019/20

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	Autumn Season Space Exploration	Festivals and celebrations	Winter Season Traditional tales	Spring Season A Bucketful of Dinosaurs	Investigating Mini beasts	Summer season Beside the Seaside
Numeracy	Mathematics provides children with opportunities to develop and improve their skills in counting, understanding and using numbers, calculating simple addition and subtraction problems; and to describe shapes, spaces, and measure					
	Counting to 5. Making patterns. Positional language. 2D shapes. Patterns Time-related language. Counting on and back to 5. Days, months, seasons. Adding/ subtracting within 5- practical problems.	Counting to 5, Making patterns. Properties of 2D shapes. Money. Ordering numbers to 5. Counting on and back to 5. Writing numerals. Adding/ subtracting within 5. Practical problems.	Counting to 10. Length and height. Symmetry, shape, Odd and even numbers, Counting in 2s. Doubling, halving and sharing. Properties of 3D shape. Length, weight and height. Adding/ subtracting within 10 Practical problems.	Counting to 10. Matching numerals to 10, Teen numbers. Coins and money. Ordering numbers to 10, Counting in 2s, Time-related language. 1 more 1 less. Adding/ subtracting within 10. Practical problems.	Count to 20 Describing 2D and 3D shapes. Doubling, halving, sharing Counting in 2s, 5s and 10s, Sorting odd and even numbers Days of the week. Telling the time. Writing simple addition /subtraction sentences.	Counting on/ back to 20. 1 more, 1 less to 20, Counting to 100. Patterns. Counting in 2s, 10s and 5s. Money, coins. length, weight, capacities. Read and match number sentences to practical problems, Writing simple addition /subtraction sentences.
Literacy	Children will be given access to a wide range of reading materials (books, poems, and other written materials) to ignite their interest. Phonics sessions encourage children to link sounds and letters and to begin to read and write. Progression and application of skills from recognising and writing single sounds, to simple words, captions, sentences then stories.					
Literacy Talk 4 Writing texts	Whatever Next * story retell * Favourite characters * Story maps Owl Babies *Story retell * Favourite characters *labels * Story maps	Dear Zoo *story retell *Favourite animals * Story maps * Create lift the flap books * Captions *Alternative story ending Dear Santa *Story retell *Story map *Write a letter SPaG	Jack and the Beanstalk *Story retell *story map *Adapted story map *Narrative - writing own simple story *Instructions - How to plant a magic bean Goldilocks *Story retell *Story map	Harry and the Bucketful of Dinosaurs *Story retell * story map *Adapted story map *Non - Fiction writing (Dinosaur fact file) Handa's Surprise *Story retell *story map *Adapted Story map	The Very Hungry Caterpillar *Story retell *story map *Alternative characters * Alternative setting *Alternative story <u>Non- fiction writing</u> *Butterfly diary *Mini beats fact file	The Singing Mermaid *Story retell *story map *Narrative- Alternative story * Descriptive writing Sharing a Shell *Story retell *story map *Alternative characters

	* Lists * Ordering instructions * Verbal recount SPaG Phonics: Read Write Inc Punctuation and Grammar:	Phonics: Read Write Inc Punctuation and Grammar: Capital letters, full stops, finger spaces and question marks	*Adapted story map *Narrative-writing own simple story *Instructions - How to make porridge SPaG Phonics: Read Write Inc Punctuation and Grammar: Capital letters, full stops, finger spaces, question marks and adjectives	*Narrative - write own story * Lists * Instructions- How to make a fruit smoothie SPaG Phonics: Read Write Inc Punctuation and Grammar: Capital letters, full stops, finger spaces, Adjectives and exclamation marks.	SPaG Phonics: Read Write Inc Punctuation and Grammar: Capital letters, full stops, finger spaces and adjectives	* Alternative story * Alternative setting * Recount - beach visit SPaG Phonics: Read Write Inc Punctuation and Grammar: Capital letters, full stops, finger spaces and adjectives
Phonics Read Write Inc	Set 1 Single sounds / friendly letters	Set 2 Review Single sounds Digraphs - application		Set 2 Vowel digraphs and trigraphs - application		
Communication and Language	Communication and language development gives children opportunities to experience a rich language environment; to develop their confidence and skills in expressing themselves; and to speak and listen in a range of situations					
Understanding the world	Understanding the world involves guiding children to make sense of their physical world and their community through opportunities to explore, observe and find out about people, places, technology and the environment.					
	My home and family My local area People who help us	Communities Similarities and differences between self and others	Comparing different environments Comparing different traditions, e.g. Chinese New Year.	Comparing artefacts/objects (fossils) Observing plant growth	Observing living creature	Human impact on environment and living things
Science	<u>Spacey Science</u> Light and Dark Nocturnal animals and	<u>Movement</u> Forces Magnetism	<u>Changing states</u> Melting Freezing	<u>Growth Healthy Eating</u> Growing plants and herbs Cooking with fruit and veg	<u>Life cycle of a butterfly</u> Insect Lore caterpillar eggs	<u>Environmental science</u> Water pollution Litter walk/litter pick

	seasonal changes.					
Expressive arts and design	Expressive arts and design enables children to explore and play with a wide range of media and materials, as well as providing opportunities and encouragement for sharing their thoughts, ideas and feelings through a variety of activities in art, music, movement, dance, role-play, and design and technology					
	Investigating and Exploring Use the senses to explore a range of materials and media Use marks and pictures to express thoughts and feelings. Autumn colour Mixing Pointillism Kandinsky's circles Diwali - clay diva lamps	Drawing Use the senses to explore a range of mark-making media, e.g. pencils, chalk, charcoal etc. Jackson Pollock - Fireworks DT - Lift the flap books Christmas crafts Salt dough Santa Printed wrapping paper, Christmas card, gift tag.	Painting Use the senses to explore a range of painting materials, e.g. thick, thin, ready mix, powder finger paints etc Colour mixing Mondrian	Textiles Use the senses to explore a range of textiles and materials e.g wool, cotton, felt etc. DT - Collage Weaving, sewing	Printing Use the senses to explore a range of printing materials and tools, e.g. found objects, potato prints etc. Insect prints Symmetry	3D modelling Use the senses to explore a range of modelling materials, e.g. salt dough, play dough, junk modelling materials etc DT - Recycled materials models
ICT	Access programmes on computers, tablets and iPads.				Learn how to log on/log off and choose a programme.	
PE	Physical development provides opportunities for young children to be active and interactive; and to develop their co-ordination, control, and movement. Children will also be helped to understand the importance of physical activity and to make healthy choices in relation to food.					
	South Shields FC Football Moving and handling Polly Phonics - set 1 single sounds - Friendly letters		South Shields FC Football Moving and handling Polly Phonics - set 1 single sounds - digraphs		South Shields FC Football Moving and handling Polly Phonics - set 2 - trigraphs	

PHSE	Making relationships	Self-confidence and self-awareness	Managing feelings and behaviours Right and Wrong	Health and self-care including: germs, handwashing, toilet and getting dressed	Kidsafe-RecP Rec A: People and Communities including similarities and differences Who can help in the community?
