School Mission Statement:

Thessalonians 5.11 “ Encourage one another and build each other up.”

Jarrow Cross Church of England Primary School provides a caring, Christian environment where EVERYONE is welcome and given the opportunity to develop their full potential.

Introduction:

At Jarrow Cross Church of England Primary School, we understand the curriculum to be all of the learning and other experiences that we plan for our pupils. We aim to make a broad, balanced, inclusive, creative and progressive curriculum that will allow our pupils to achieve their full potential and prepare them for life after primary school.

Intent:

It is our intent that our children, as historians, are able to develop an understanding of continuity and change locally, nationally and globally. They will identify, compare and discuss similarities and differences within specific historical periods. Pupils will be taught to recognise the relationship between cause and consequence for significant events during and beyond living memory. The History curriculum will help them understand who they are and how their environment and the world has changed over time.

Aims:

The aims of History at Jarrow Cross Church of England Primary School are:

- To develop an interest in the past and to develop a sense of time and chronology.
- To help children develop a sense of identity through learning about the development of Britain, Europe and the World.

- Through a lively and questioning approach, to provide the children with an experience of history which is both valid and stimulating.
- To explore the many ways in which the past is represented and interpreted.
