Wednesday 15th May

Dear Parent/ Carer,

As part of our 'Water is Life' topic, Year 4/5G will be exploring the local area over the course of two days:

Day 1: Geographical study of Mouth of Tyne including trip on the Shields Ferry (22nd May)
Day 2: Geographical study of Newcastle/Gateshead Quayside (13th June)

Pupils will be investigating and exploring the built and natural environment, sketching and recording information. Due to unpredictable weather, please ensure that children are dressed appropriately and if necessary are wearing a hat/ sun cream.

We will be leaving school at 9.15am, travelling by Metro and will be back at school by the end of the school day; therefore, a **packed lunch will be required**. Those children who are entitled to free school meals can have a school packed lunch provided by completing the form below.

Please fill in the consent form below and return to school as soon as possible.

Kind Regards,
Miss Glen, Mr Taggart and Mrs Wilson

I give consent for my child..... to travel by Metro, and the Shields ferry on the dates identified above.
