Friday 10th July 2020

To the Children of Jarrow Cross,

I hope you are all well and have been keeping busy doing all of the daily fitness challenges this week.

I hope you were all pleased with your report when you received it this week and enjoyed reading the postcard from your teacher. If you haven't had it yet it can still be picked up from the office before next Friday.

I have just sent out a really long letter to your parents telling them all about what will be happening in September. I know you already know about spending time with your old class and teacher for the first two weeks, but there are lots of other things like the start and end of the school day which will be different too. Your parents will tell you all about it.

For Home Learning this week there are lots of fun activities for you to do both this week and over the summer holidays. They include watching films, making cakes, building a tower out of cards. I hope you enjoy them.

Have a lovely weekend. I hope the sun keeps shining. Remember BE KIND and look after each other.

Take care,
Mrs McBeth
