15th May 2020

To the children of Jarrow Cross,

I hope you are all well and looking after each other. I hope you have been able to go outside for some exercise a little bit more this week.

No doubt you will have heard lots of talk this week about school reopening on 1st June for those of you in Reception, Year 1 and Year 6. For some of you this will be really good news as I know you are missing your friends and lots of things about school, for some of you it might not!! I have written to your parents about this and I will keep them informed with everything that is happening, so please do not worry about anything.

This week should have been SAT's week for you Year 6 children, again some of you are probably very happy that they did not happen and some of you of you will be a little bit disappointed. However you feel I hope you all read and enjoyed the poem we put on the website dedicated to you all.

It is Mrs Stavers turn this week to send you all a message. If you watch it you will get to meet baby Hallie, she is gorgeous. Mrs Stavers says she cries a lot but I don't believe that and I don't think you will either when you see her!

I just want to say again please do not worry about everything you are hearing on the news or reading online, we as adults are working hard to sort things out, it is your job just to keep on being safe and keeping yourselves busy at home.

I will write to you all again next week, take care and remember BE KIND!

Mrs McBeth
