To the Children of Jarrow Cross,

Well hasn't it been such a lovely sunny week for your half term. I hope you have been able to get out and enjoy it.

We have been working very hard this week getting the school ready for some of you returning, We are all really looking forward to seeing you and hopefully we will see some of you from Reception, Year 1 and Year 6 very soon.

If you are not coming back to school just yet that is no problem, we will still keep in touch and all of the weekly plans will still be available on the website each week for you to follow.

Have you spotted our lovely messages that the children who have been in school have written and put on the lampposts around the area. If you haven't watch out for them lots of people have and have wrote nice messages on different websites all about them.

Remember what I said in my message last week, school may look a little different when you come back but that just things like tables and rooms, the main things like you and all the teachers will be exactly the same so please don't worry.

I am looking forward to seeing some of you very soon. Remember BE KIND and look after each other.

Take care,
Mrs McBeth
