Tuesday 18<sup>th</sup> December 2018

Dear Parent/Carer,

In the New Year, booster classes will begin for Year 6 pupils. These sessions are led by class teachers to support your child in preparation for their statutory assessments (SATs) in May. Classes mainly focus on maths but at times reading or SPAG (Spelling, Punctuation and Grammar) may be covered.

In previous years' parents have been very supportive, recognising these classes are an important opportunity for pupils to work in small groups to revise learning and extend understanding. Our sessions will start at 8.00am and all pupils are expected to attend. Booster classes will commence on week beginning 7<sup>th</sup> January 2019 (Friday 11<sup>th</sup> January will be the first session).

All children attending booster class should enter school via breakfast club at 8am and make their way to their designated classroom.

Your child's booster class is on Friday mornings with \_\_\_\_\_.

Thank you again for your support.
