11th January 2019

Dear Parent/Carer,

We would like to invite your child to Jarrow School to take part in a Taster Day on Wednesday 23rd January 2019.

The children will leave Jarrow Cross Primary School, on foot, at approximately 9.15am, under the supervision of secondary school staff to Jarrow School. The day will begin with an introductory talk followed by a variety of lessons.

On the day lunch will be provided by Jarrow School.

We hope for this to be an enjoyable experience for the children, providing an opportunity to familiarise themselves with the school building and to meet with some of our staff.

We would be obliged if you could you sign and return the permission slip below, to your primary class teacher.

Yours sincerely,

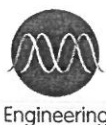

Mrs D Robinson
Transition Mentor
