4th February 2020

Dear Parent/Carer

To mark Internet Safety Day on the 11th February, we are going to be exploring how we can all keep safe online and would like to invite you to come and join your child in class for some Safer Internet Day activities. You will have the opportunity to see some of the safe websites we use and to participate in some crafts with your child around the theme of Internet Safety. You will also be able to ask questions about how to keep your child safe at home on the Internet with some easy steps. Please see below for the times for your class. Please return the slip below if you would be interested. Thank you
