

Dr Bike

Does your child's bike need some care and attention?

Is it in need of some minor repairs?

If so, bring it along to Dr Bike between 9am and 12.30pm on Wednesday 18th September.

Any bike which needs to be fixed, simply leave at the Key Stage 1 bike racks.

A message from Dr Bike - Wheel Education Ltd will be delivering a free Dr Bike session on behalf of South Tyneside Council. The session is designed to safety check your child's cycle and identify any issues which would make it unroadworthy. Small fixes will be carried on the day where possible and a sheet highlighting issues will be left with the cycle. For larger more significant faults we suggest you consult your local bike shop to have these repaired.
