Friday 29<sup>th</sup> September 2023

Dear Parent/Carer,

I am sorry to have to inform you that due our school's hot water boiler developing a serious fault this afternoon, we unfortunately been informed that we have no choice but to close the school on Monday while the council replaces our boiler.

We are hoping that this problem will be rectified on Monday, however if this is not the case, we will contact you on Monday afternoon to advise you of this.

The children will either be coming out of school today with work for them to complete or the teachers will post their work for Monday on Dojo. If you need any help with school work the staff will be available via dojo on Monday to assist you.

Once again I can only apologise for the inconvenience this causes to not only you but to the children. We hope to have this situation rectified as soon as possible so that the children can return to school.

Kind regards,

Mrs McBeth

Headteacher
