

# South Shields Football Club F O U N D A T I O N

## **Saturday 30 November 2024 – South Shields v Peterborough Sports Match Day Experience for Jarrow Cross Primary**

We are delighted that your School is participating in our Schools Match Day Experience Programme.

It includes:

1. **Match Tickets** - We have a few FREE match tickets for school so that your child AND an accompanying adult can attend the above game. The children must be accompanied and supervised by an adult inside the ground. The ground can be busy, typically 2000 supporters and in some cases segregation between home and away supporters, which limits access to some parts of the ground.

**One ADULT and one CHILD ticket can be claimed by following the link below:**

2. [https://bookings.southshieldsfc.co.uk/package\\_link/LZEmOKzmpW/SSFCvPeterboroughSchoolComplimentary](https://bookings.southshieldsfc.co.uk/package_link/LZEmOKzmpW/SSFCvPeterboroughSchoolComplimentary)

Tickets are not transferrable and will be verified by turnstile staff. Additional tickets can be purchased at the turnstiles on the day of the game.

Entry to the ground is via Turnstiles 5 and 6 (see map) and the meeting point is the Fan Zone next to the Foundation kiosk (which is next to the Marquee). Foundation staff will be on hand at the Foundation kiosk to help with queries and questions.

3. **Match Day Play Park** – On the day of the game the children are invited to take part in our match day play park on the 3G pitch, which includes multi sports activities supervised by Foundation staff. It takes place between 1.45pm and 2.45pm.
4. **The Match** – We hope you can stay to enjoy the game, there are places to eat and drink as well as covered standing and seating areas.

Please be aware that once inside the ground the club photographer and press will be taking pictures which may appear in printed media and on the Clubs social media platforms,

Steve Camm
