

School Lunches

There are three menus that rotate on a weekly basis. Please note, school may make changes to the menu e.g. where the menu is linked to the curriculum.

Week one starts at the beginning of each new term and after each school holiday, followed by week two, week three, and then returning to week one. After every school holiday the menu reverts back to week one.

The cost of a school lunch is £2.20 per day. Dinner money is collected weekly in school on a Monday. Parents / carers can pay by cash, cheque made payable to South Tyneside Council or online using ParentPay.
