

Spring Term

Year 1

Curriculum Topic

Changes and Differences

This term in Year 1 we will be learning about Changes and Differences.

In our history lessons we will :

Explore changes in our homes and with our toys. We will explore how childhood has changed throughout the ages, in particular, we will compare toys that Prince William may have played with, compared to Prince George. We look at differences between TV programmes

over time.

In our science lessons we will :

Describe how animals grow and change and link this to the Seasonal changes of Winter. We will explore the properties of materials and carry out lots of classifications and experiments..

In our art lessons we will:

We are going to create a Winter scene, mixing paint to create lighter and darker shades of colours. We look at the work of Romero Britto and discuss pop art.

of

In technology we will :

We will make a toy from the past and in music we will explore changes in music such as loud/ soft, fast/ slow.

In our Literacy lessons we will:

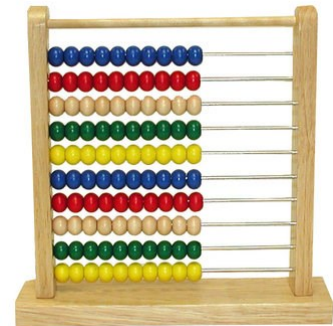

Develop our phonic skills and our fluency and expression in reading.

Understand how full stops, question marks and capital letters are used and read and write sentences correctly.

Know the difference between fiction and non fiction

Write a story with a beginning, middle and end and work on characters and settings.

We will begin to use prepositions in our sentences.

In our Numeracy lessons we will:

Learn to add and subtract numbers within 20 and use the correct vocabulary

We will learn the properties of 2D and 3D shapes.

We will learn how to use Mathematical equipment correctly to help us solve problems.

To learn 2, 5 and 10 times table

Other activities

As part of our topic we will be visiting the Discovery Museum to look at toys from the past. We will also be visiting Beamish Museum to explore changes, particularly in school life.
