

Year 1						
	autumn1	autumn 2	spring 1	spring 2	summer 1	summer 2
English	Labels and captions List poem Recount		Instructions Post cards Information Text Character description		Non-chronological report Letter Character description Alternative narrative	
Maths	Place Value: Numbers to 10 Addition and subtraction: Within 10 Geometry: 2D/3D Shapes	Place Value: Numbers to 20 Addition and subtraction: Within 20 Place Value: Within 50	Measurement: Length and height Weight and volume Time: O'clock and half past	Number: Counting in 2s, 5s and 10s Fractions: Half and Quarter	Place Value: Within 100 Money	Geometry: Position and direction Time: Recap Number: Counting in 2s, 5s and 10s Recap
Science	Seasonal Changes: Autumn Focus Everyday Materials		Seasonal Changes: Winter and Spring focus Animals Including Humans: Sensitive Bodies, Comparing Animals		Seasonal Changes: Summer focus Plants: Introduction to plants Making connections: Investigating science through stories	
RE	What do Christians believe God is like? Why does Christmas matter to Christians?		Who is Jewish and how do they live?		Why are some places sacred to believers? How should we care for the world and for others, and why does it matter?	
History	How are we making history?		How have towns changed?
